With reference to this office No 5072 dated 22nd ultimo, I have the honour to inform you that the Commissioner Southern Division has in his No 3352 dated 27th July 1915 revised the pay of Mr. D. R. Betgeri, and fixed it at Rs50/- with effect from 7th January 1915, and has also granted him furlough for three months in continuatin of his privilege leave.

In No 665

Letter No. Pen-Con-D-1400, dated 10th July 1915, from the Accountant General, Bombay, to the Collector and Politi-cal Agent, Dharwar.

"With reference to the correspondence ending with your endorsement No.3589 dated the 27th of May 1915 forwarding a letter dated 22-5-1915 from Mr. D. R. Betigeri, Chitnis to the Nawab of Savanur (on leave) I have the honour to forward herewith an extract of para 2 of letter No.265 dated 6-4-15 from the Diwan of Savanur and this office letter No.Pen-Con--D-215 dated 21-4-1915 to the Diwan and to request that the necessary orders of the Commissioner, S.D. to the revision of pay of Mr. Betigeri with effect from 7th January 1915 may be obtained at an early date.

2. During privilege leave Mr. Betigeri is entitled to pay that will be refixed by the Commissioner from 7th January 1915. The Government share of his privilege leave allowance is Rs.15-1-9 per mensem. The authorities of the Savanur - State may therefore be requested to prefer a bill for ---- Rs.45-5-3 on account of the Government share of the leave allowance at Rs.15-1-9 from 1-2-1915 to 30-4-1915 and -- present it at the Dharwar Treasury for payment quoting the No. and date of this letter as authority for the same.

Bill already preferred.

3. From para 2 of Mr. Betigeri's letter received with your endorsement under reference, it appears that he was granted furlough for 3 months by the Nawab of Savanur without a previous report from this office and the sanction of the Commissioner (Article 780 (c) of the Civil Service Regula--tions (New Foreign Service Rules). The furlough for 3 months was however due to Mr. Betigeri on the 1st May 1915 and could be combined with the privilege leave for 3 months already enjoyed by him (Articles 233 (iv) and 338 of the Civil Service Regulations). The authorities of the Savanur State may, therefore, be requested to forward his application for furlough to the Commissioner for sanction at an early

date.

date.

4. As Mr. Betigeri is subject to the New Foreign Service Rules he will be entitled to allowances during furlough at Rs.17-8-0 per mensem being half his assumed pay of Rs.35/- per mensem (Articles 340 (b) and (c) and 766 of the Civil Service Regulations (New Foreign Service Rules). As the - Savanur State has paid contribution for pension only under the old Foreign Service Rules for the period from 7-11-1912 to 30-6-1914 it is liable to bear a share of the furlough allowance according to the rule of proportions (Article 779 (b) of the Civil Service Regulations (old Foreign Service Rules). The shares payable by the British Governent and the State will be communicated on receipt of the sanction of the Commissioner, Southern Division to the grant of the leave.

5. The Savanur State is liable to pay pension and leave contribution on behalf of Mr. Betigeri at the usual rate of Rs.8-12-0 per mensem during privilege leave only (Article 765 (b) of the Civil Service Regulations (New Foreign Service Rules). No contribution is required during furlough."

To

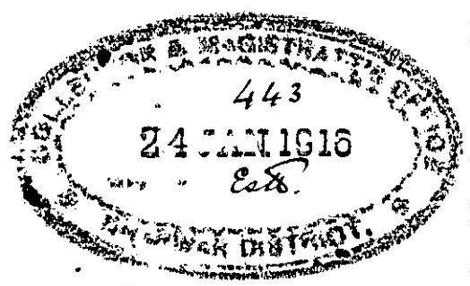
Meherban Lt. Nawabsaheb Diler Jung Bahadur,

Savanur State, Savanur.



Respected Sir,

In continuation of my application dated 21st --- August last, praying for payment to me a sum of Rs. --- 13-0-5, due to me from the Savanur State on account of - the arrears of pension contribution, I most respectfully beg to state that the said sum is made up as follows:-

(a) Pension contribution at the rate of Rs. 4-6-0 -- (1/8 of my assumed pay of Rs. 35/-) was credited till the end of January 1915, but owing to my being brought under the new Foreign Rules with effect from 1st July 1914, the Accountant General, Bombay, ordered (in his No. Pen. Con. B/4111 of 17-2-1915, forwarded to me by the Divan of -- Savanur under his No. 209 of 12-3-1915) that the pension contribution should be paid at the rate of Rs. 8-12-0 - per mensem (1/4 of my assumed pay of Rs. 35/-) from that - date (i.e., 1st July 1914). Accordingly a sum of Rs. -- 30-10-0 at the rate of Rs. 4-6-0 (difference between Rs. 8-12-0 and 4-6-0) from 1st July 1914 to 31st January 1915 had to be credited to Government, but only Rs. 26-5-7 -- has been credited at the Shiggaon Sub-Treasury on the -- 29th March 1915 by the Divan of Savanur as I was on --- privilege leave then (vide his No. 262 of 6th April 1915 to me). The deficit amount of Rs. 4-4-5 (Rs. 30-10-0 minus 26-5-7) is to be paid by the State.

(b) A sum of Rs. 26-4-0 had to be credited at the rate of Rs. 8-12-0 per mensem for the months of February, -- March and April 1915, but it is found that only Rs. 17-8 has been credited, hence the difference - Rs. 8-12-0 - - is to be paid by the State. The reason for this is that Rs. 8-12-0 has been credited for the month of April 1915 but for the months of February and March a sum of Rs. -- 8-12-0 only has been credited at the old rate of Rs.

4-6-0 instead of Rs. 8-12-0 per mensem as ordered by the Accountant General, Bombay. Hence the difference of Rs. 8-12-0.

(c) A reference to the chalans filed in the State Treasury office will make the matter clear beyond doubt.

2. Thus, a sum of Rs. 13-0-5 (Rs. 4-4-5 plus Rs. 8-12-0 as shown in (a) & (b) above) was in arrears on account of my pension contribution at the time of my reversion to the British service in August last. I was ordered by the Accountant General to credit this sum and I have done so on the 3rd of September last. I am duly entitled to receive the said sum from the Savanur State and hence I have applied for it.

3. I pray that the said sum of Rs. 13-0-5 may kindly be sent to me by money order as soon as possible.

4. For this act of kindness, I shall, as in duty bound, ever pray.

I beg to remain,

Procedure for Payment of Contribution.

773. A copy of the orders sanctioning an Officer's transfer to foreign service must always be communicated to the Account Officer (referred to in Article 774) by the authority by whom the transfer is sanctioned. The Officer himself should, without delay, communicate a copy to the Officer who audits his pay, and take his instructions as to the Officer to whom he is to account for the contribution; report to the latter Officer the time and date of all transfers of charge to which he is a party when proceeding on, while in, and on return from foreign service; and furnish from time to time particulars regarding his salary in foreign service, leave taken by him, his postal address and any other information which that Officer may require.

774. (*a*) In the case of foreign service out of India the "Account Officer" is the Comptroller India Treasuries.

(*b*) In the case of foreign service in India—

(*1*) If salary in foreign service is paid from a Government treasury, and is subject to audit by an audit Officer of Government, the Account Office is such Audit Officer;

(*2*) Otherwise, the Account Officer is the Accountant-General of the Province in which the Municipality, Port Trust or other body concerned is situated, or in the case of service under a Native State, the Accountant-General of the Government under whose administration the state is.

775. Ordinarily contribution is payable directly to Government by the transferred Officer himself. Government does not enter into arrangement with foreign employers or make direct demands upon them. Exceptions to this rule are:—

(*a*) Case in which Officers are lent to His Majesty's Government or to British Colonies, Protectorates, &c., and in which the contribution is payable by the borrowing Government [*See* Article 772 (b) (i)].

(*b*) Cases in which salary is payable at a Government Treasury under the orders of the Accountant-General, and contribution is deducted from salary;

(*c*) Cases of members of clerical Establishments in foreign service of the second kind, in which responsibility for payment of contributions and compliance with the rules rests with the Officer who controls the Fund or administers the Trust;

(*d*) Cases in which, by special order or arrangement, contribution is recovered collectively on account of several Officers employed under one foreign employer through an agent or officer who represents the employer.

776. Not later than 15 days after the end of each quarter for which salary in foreign service is earned, the Officer, must remit in such manner as may be arranged with the Account Officer, the contribution payable by him for the quarter.

In any case in which contribution falls into arrear, the Account Officer should bring the fact to the Officer's notice and claim interest at the rate of 4 pies a day per 100 rupees upon the amount due, from the date of expiry of the 15 days to the date on which contribution is paid up.

If any amount due, including interest, is not paid within 12 months of its accrual, the Account Officer should intimate to the Officer the amount due upto date, and inform him that in consequence of the default he has forfeited

his claim to pension or pension and leave allowance, as the case may be. In order to revive his claim the Officer must at once pay the amount due and represent his case to the Local Government who will deal finally with it.

Rules Regarding Leave, and the Grant of Leave.

777. An Officer holding an appointment in foreign service in India may not take leave or obtain leave allowances from Government unless he actually quits duty and proceeds on leave.

778. An Officer on foreign service in India may not be granted leave otherwise than in accordance with the rules of the Government service to which he belongs. If such leave is granted to an Officer the Account Officer shall on the fact coming to his notice require the leave so granted to be commuted to the leave for which the Officer is eligible under rule, and call upon him to refund any allowances in excess of the amount admissible. The Officer himself is personally responsible for the observance of the rule contained in this Article; by accepting leave to which he is not entitled under the rules he renders himself liable to refund, allowances irregularly drawn, and in the event of his refusing to refund, to forfeit his previous service under Government, and to cease to have any claim on Government in respect of either pension or leave allowances.

779. An Officer in foreign service *of the first kind* in India draws leave allowances calculated on assumed pay, save that in the case of privilege leave he is entitled to his actual pay in foreign service, the difference between such pay and assumed pay being paid by the foreign employer. In the case of foreign service *of the second kind* all leave allowances are calculated on actual sanctioned salary and paid in full by Government.

780. (*a*) Privilege leave which is certified by the Account Officer (Article 774) to be admissible may, when taken by itself, be granted to an Officer in foreign service in India by his employer.

(*b*) Leave other than privilege leave taken by itself, may, in cases where the transfer has been sanctioned by the Government of India or a Local Government, be granted to an Officer in foreign service in India by the Local Government under whom he was serving before his transfer; in other cases it may be granted by the authority who sanctioned the transfer.

(*c*) An Officer who is in foreign service in India should submit all applications for leave, other than privilege leave taken by itself, with the report of the Account Officer, through his employer to the authority competent to sanction the leave.

781. To an Officer who is in foreign service out of India leave in respect of his foreign service may, unless special arrangements as to leave have been made on his behalf by the Government of India or the Secretary of State, be granted by his employer on such conditions as to leave and absentee allowances as the employer may determine. The Officer should make himself acquainted with the rules or arrangements which are to regulate his leave before accepting foreign employment, and the Account Officer will be responsible for obtaining from him at the time of transfer a declaration showing that he has read and understood this rule. Time spent by the Officer in foreign service out of India, though not constituting an interruption of service for leave under the Civil Service Regulations, does not count for such leave. Leave earned in respect of service under Government before transfer cannot ordinarily be granted to such an Officer so long as he continues to be on foreign service.

Date from and to which contribution is payable.

758. When an Officer is transferred to foreign service he draws salary from his foreign employer, and contribution is paid to Government, either by or for him, from the date on which he relinquishes charge of his appointment under Government. An Officer reverting to duty under Government ceases to draw pay from the foreign employer, and contribution is discontinued, from the date on which he resumes charge of his appointment under Government.

I most humbly beg to bring to your kind notice the following with a sanguine hope that you will be pleased to take such action as may be deemed necessary.

2. I was on privilege leave for six months from 11th November 1919, sanctioned by you and on expiry of the same I joined my appointment in the Civil Hospital,Alibag, in accordance with your order No.B-2304, dated 6th May 1920, on 11th May 1920.

3. I have received my pay from Savnur State upto 11th November 1919, and since then I have not received my pay upto 11th May 1920, although I have already submitted by bills to the Nawab of Savnur State through your office. I have also requested the State Authorities to furnish me with my last pay certificate to enable me to draw my pay here, butthe same has not yet been received.

4. As I have not received my pay for the last six months I have to suffer great hardship in these hard days in as much as I cannot draw my pay moreover even for the period since I have been attached to this Hospital for want of my last pay certificate.

5. Under the circumstances I request that you will kindly do the needful and relieve me of my greatest want - Pay and for this act of kindness I shall feel ever grateful.

2. It is desirable in these hard days that Government servants are not put to hardship in respect of their get-ting pay within a reasonable time. In the present case the applicant has not drawn any pay since last six months

and

and this is really a great difficulty to him in as much as he is unable on account of leave and transfer to secure any practice to make both ends meet.

3. Under the circumstances it is requested to decide the question whether the Government or the Savnur State will have to bear the cost of the applicant's pay for the period of his absence on leave which expired on 10th May 1920.

2. Sub-Assistant Surgeon Bavdekar's bills were sent to the Dewan with this office memoranda No.F-875, dated 5th May 1920, No.F-946, dated 14th May 1920 and No.F-1088, dated 4th June 1920. It seems that the bills have not been paid yet and it is not understood why this is not done. The Sub-Assistant Surgeon is greatly inconvenienced as he has not got his pay for six months. He cannot also draw his pay from the Government Treasury unless the State provides him with a last pay certificate. If the State has to make a representation as to who should bear the charges on account of the Sub-Assistant Surgeon's leave allowances, it may be done separately.

Subject:- Re: the reversion to British Service of Sub-Assistant Surgeon Mr. M.A.Bawdekar.

****

" With reference to G.O.P.D.No. 5609 dated the 19th July 1920, sanctioning the reversion of Sub-Asstt: Surgeon M.A. Bawdekar from the Savanur ~~State~~ State Dispensary to British Service from 11-11-1919, I have the honour to state that from the registers in this office it appears that the state has paid the leave and pension contribution on his behalf at the rate of Rs. 16/4/- p.m. upto the end of October 191 only. Contribution for ~~*~~ Ist to 10th November 1919 has not been paid. Besides the Sub-Asstt: Surgeon was promoted to Rs. 95/- p.m. from 5-7-1919 in British Service and a -- difference of contribution at Rs.7/8/-p.m. from that date upto 31st October 1919, is also due from the State. I -- would therefore request that the ~~Sxt~~ State authorities -- may be moved to pay at an early date contribution on behalf of the Sub-Asstt: Surgeon from 1-11-1919 to 10-11-~~xx~~ 1919, at Rs. 23/12/- p.m. and the difference at Rs. 7/8/- p.m. from 5-7-1919 to 31-10-1919 and communicate the fact of their payment to this office."
